Virtual Summer Internship Program
University of Southern California
June 21, 2021 - July 30, 2021

A paid summer internship program designed for highly motivated high school and undergraduate students who demonstrate an academic interest in biomedical sciences. Selected interns will have the opportunity to personalize their own summer project based off their own strengths within STEM.

Program Overview
- Personalize your own summer project
- Work and collaborate with AMI staff
- Learn about healthcare innovation and investment
- Develop critical thinking for biomedical innovation
- Expand your skill set outside the classroom

Eligibility & Requirements
- Must be a high school or undergraduate student
- Prepare and give final project oral presentations during the week of July 26th
- Must commit to a minimum of 2 days per week

Application instructions can be found at: http://ami.usc.edu/intern-info/

Application Deadline
6PM PST March 31, 2021

An orientation Zoom session is scheduled at 6 PM on April 5, 2021, and the candidates will be interviewed from April 6 to May 14. Final candidates will be notified via email by May 21, 2021.
